Section	Instruction
	<p>The Buechel Fire Protection District administration recognizes that qualified and motivated members are vital for the success of the fire district. Therefore, we will strive to create a vigorous, responsive organization, which encourages both individual contribution and team effort, enhancing service and productivity. In our efforts to strive for this objective, we are committed to do the following:</p> <ol style="list-style-type: none"><li data-bbox="284 758 1299 829">1. Recruit, employ and advance people without regard to race, color, sex handicap, national origin, religion or marital status.<li data-bbox="284 869 1010 898">2. Provide a safe and healthful work environment.<li data-bbox="284 940 1323 1045">3. Create an atmosphere for personal development and advancement appropriate to the member's qualifications and interest that is consistent with the fire districts needs and social responsibilities.<li data-bbox="284 1087 1299 1159">4. Promote continuous, two-way communications between members and administration.<li data-bbox="284 1199 1208 1228">5.
