Title: **Driver Training Requirements**

Approval Date – 1-4-2000

Section	Instruction
1.	The Board of Officers of the Buechel Fire Protection District has determined the need for continuing education for the members who respond to all emergency calls. This includes but is not limited to Code 1 and Code 3 responses to the station and/or the scene.
2.	The training bureau will provide certified instructors and schedule this training to consist of both classroom and practical skill's evolutions. The classroom portion will be offered every other year and the practical skills shall be conducted during each odd year thereafter.
3.	The dates will be scheduled during regular training days and nights in order to minimize the burden on our member's time.
4.	Consideration of the location for the practical skills class will be given to an area within our "First Alarm" district.
5.	Any member who does not complete the classroom and practical skills will not be permitted to operate any fire district vehicle while responding to any dispatched call or training exercise without approval from the Chief or his designee.
