

# Buechel Fire Protection District

## SAFETY POLICIES

SP-0011

Page 1 of 1

Title: **Winter Operation Plan**

Approval Date – 1-7-1997

Section	Instruction
1.	The fire district will put into operation a “Winter Operation Plan” when the area receives eight (8) inches or more of snow. The district will put standby crews into the station..
2.	The “Winter Operation Plan” will be put into effect by a Chief Officer, upon approval by the Chief of the district.
3.	Standby crews will operate on 8-hour shifts.
4.	The standby will consist of one (1) crew with four (4) members, a Chief Officer and a radio room operator.
5.	The fire District’s main priority will be normal daily operations.
6.	When other severe weather conditions occur this plan may be placed into effect.
7.	Members will contact the station by phone as to their availability then those available will be contacted by the Chief Officer for the times and day.
8.	The Chief of the district may rearrange any of the above as needed to ensure the safety of the members and the citizens of this community.
